Safeguarding Protective Behaviours Parent Workshops

The Perth Catholic Archdiocese Safeguarding Project is child focused and informed by a fundamental belief that children have the right to physical and psychological safety at all times.

Whilst the Safeguarding Project is working hard throughout the Perth Catholic Archdiocese, we all must play our part to protect children and keep them safe.

One way in which parents can assist in increasing their child’s safety is by teaching them the protective behaviours program. This workshop has been designed to teach parents and carers how to increase the personal safety of their children. Whilst there are many ways of talking to children about their personal safety, it is important that we do not scare them or leave them feeling unsafe, afraid or disempowered. Protective Behaviours provides children with strategies to keep themselves safe and cope with situations that threaten their wellbeing and personal safety. The program empowers the individual with the right to feel safe and sets out ways in which they can gain the appropriate help when they are not feeling safe.

THE PURPOSE OF THIS WORKSHOP IS TO:

- Provide parents and carers with a basic understanding of child sexual abuse and other unsafe situations.
- Provide specific personal safety training skills, techniques and examples to use with your children.
- Lessen your anxiety about your children’s safety so you can allow them the freedom of movement they need as they grow up.
