

# Year 5 Learning Overview

## Term 2 Weeks 6-11

### Religious Education

Exploring the 'Confirmation' and 'Eucharist' units of work. Please see attached parent letters for more information.

### Maths

We will be covering the following topics in Mathematics: addition, subtraction with zeros, inverse operations, division, multiples, factors and equivalent number sentences.

### Health

In Keeping Safe we will be exploring trusted networks, respectful relationships and power in relationships. In Friendology we will be looking at the four friendship facts, the friend-o-metre and healthy relationships.

### HASS

In History, we will be learning about early Australian colonies; the types, their purpose and different perspectives of colonial life.

### Literacy

**Reading:** The students will be allocated a book club and given a book to read and review alongside their group members.

**Writing:** The students will be focusing on paragraph writing and sentence structure through a range of genres.

**Spelling:** Students will continue to participate in Sounds-Write lessons and practise using different spelling combinations. This term we will investigate the sounds /er/, /e/, /ow/, /oo/ and /ie/.

### Digital Technologies

#### Digital Systems:

Students will be learning about coding through plugged and unplugged activities.

# Home Learning

Homework is given out on **Mondays** and is also due on a **Monday (every fortnight)**.

Please make sure students continue to read for a minimum of 20 minutes per day.

## Visual Art Mrs Tangifua

This term in Art, students will explore the colourful, layered artworks of Joan Blond and use her style as inspiration to create their own contemporary botanical artwork. They will develop skills in colour mixing, composition and patterning, learning how to layer shapes and use contrast to create visual interest. Through this process, students will produce a vibrant, expressive piece that reflects both their understanding of contemporary art and their own creativity.

## Music Mrs Vlam

In term 2, we will be focusing on the different genres of music including classical, jazz country, pop and rock and roll. We will also continue to develop our singing and playing skills on various tuned and untuned classroom instruments.

# Important Dates

- **Monday 1st of June**- Public Holiday
- **Friday the 5th of June** - 5G Assembly
- **Friday 19<sup>th</sup> of June** - 5B Assembly
- **Friday 19<sup>th</sup> of June** - Year 5 Excursion Fremantle Prison
- **Wednesday 1<sup>st</sup> of July** - House Day - Grevillea
- **Thursday 2<sup>nd</sup> of July** - Brotherhood Dance Showcase
- **Friday 3<sup>rd</sup> of July** - Last day of Term 2

## Science Mrs Alexander

This term, your child will be considering how much matter actually matters in our Chemical Science unit. They classify the three states of matter - solids, liquids and gases based on their unique properties and behaviour. They will investigate the movement and arrangement of particles in each state, discovering how and why matter changes in different conditions.

## Physical Education Miss Chessell

This term in Physical Education, students will develop specialised movement skills and strategies through Netball and AFL, including tactical awareness, decision-making, and leadership roles such as captain or umpire. Students will practise managing emotions and conflict respectfully in competitive situations. Later this term students will prepare for and participate in the Cross Country Carnival.
